FIA has relocated employees to this location due to closure of other Detroit offices. Renovations and amortizing the costs over the lease term (at the current location) is the most cost effective considering the cost of moving, current market conditions and the new rental rate is below market rates. 4335	T	6/15/2008 12:00:00 AM	O	9/30/2008 12:00:00 AM	The three-month holdover option in Section 2.9 of the lease exercised on 5/29/08. The holdover peirod is 8/1/08 through 10/31/08. MDOTsought to extend its tenancy beyond that via a successor month to month agreement, but Lessor refused that. Lessor did however agree to extend the lease on a month to month basis via an addendum to the current lease. That addendum period would start 10/31/08 and run for a period of up to nine months ending 7/31/09. Addendum #1 approved by the SABB on 8/19/08, item #14.	RENT - BASE RENT	11,572.83	0.00	1.00
